The terms applicable to your Share Accounts at TwinStar are provided in the membership agreement. **Business Shares require \$100 minimum daily balance to earn dividends.** Other savings may not require a minimum balance to earn dividends. An adult 18 or over must accompany a minor as a joint account owner on any minor accounts. Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day. Dividends are compounded monthly and will be credited monthly.

The Annual Percentage Yield on Share Certificates assumes dividends will remain on deposit until maturity. Fees may reduce earnings. A penalty may be imposed for early withdrawal and will impact earnings on the account. A grace period of 7 days after maturity applies.
